

Tip Sheet: UpToDate Physician CME Registration Steps

1. <<<Enter in Access information and screenshot.>>>

2. The first time you access UpToDate from <<<EMR Name>>> you will see the “Log in or Register” page shown below. You can (1) login with an existing UpToDate username and password if you have a personal subscription, (2) register as a new user and create your own username and password. If you do not see the initial registration screen, click on the “CME” or “My Account” tab to register.
Remember: You will not be able to redeem your CME credits until you have registered.

Earn CME with UpToDate
Once you register or log in, you can earn CME/CE/CPD credit each time you research a clinical question.

Log in (Returning User)
Log in with your UpToDate user name and password.

Verify Password:
User name and password must be 6-12 characters; no spaces or symbols allowed. User name and password must be different.

Submit Registration
[Skip this for now](#)

Users with personal subscriptions should login here. New account and existing account will automatically merge.

Users without existing UTD accounts should register.

3. To register, complete all fields and click “Submit Registration.” This is a onetime registration.
4. Once you have registered, you will receive an email that includes your username and password.
Important: You will not need to use this username and password to access UpToDate; you will use them only to redeem your earned CME credit or to access the “My Account” section of UpToDate.

You are now registered and ready to begin earning CME while searching UpToDate.
